

T&A –SUPPLIER BASE

S.No	Product Category	Applications
1	Metal Bonded Rubber Track Pad, Rubber to Metal Bonded items including engine mountings	Construction Equipment (such as Excavators, Dozers, Crushers), Automotive
2	Hydraulic Cylinders	Construction & Mining Equipment, Steel Plants
3	BASEC Approved Electrical Cables	Commercial Buildings & Residential Complexes
4	Electrical Switchgear	Commercial Buildings & Residential Complexes
5	Personal Protective Clothing and Technical textiles including coated fabrics	Industrial, Defence and Construction
6	Stairway Tower (Scaffolding)	Construction
7	Shock Absorbers	Automotive including Trailers
8	Granite	Commercial Buildings & Residential Complexes
9	Home Furnishings	Commercial Buildings & Residential Complexes
10	Excavator Buckets & Other attachments	Construction Equipment (such as Excavators, Dozers, Crushers), Automotive
11	Engineering Steel	Automotive and Petrochemical
12	Process Water Treatment Plant	Industries such Textiles, Pharmaceutical, Steel, Power
13	Engineering Plastics such as PP, PE, PTFE, Nylon, Acetal	Industrial, Automotive
14	Scaffolding Steel Tubes	Construction, Industrial
15	Builders Hardware	Commercial Buildings, Residential Complexes, DIY Stores
